

This questionnaire is anonymous and the data you provide will not be linked to you individually. You do not have to complete the questionnaire and you may decide not to answer any of the individual questions once the study is complete. If you decide during the study that you do not wish to continue, then just stop. If, after the study, you decide you would rather not have taken part, please tell me and I will remove your data from the study.

Please read each of the following statements and decide whether it describes you well. Don't think too hard about your answer, just give the rating that seems right to you.

Response scale:

1 = very unlike me
5 = very like me

D2:

D4:

Statement	Rating (1 - 5)
Given enough provocation, I may hit another person.	
I often find myself disagreeing with people.	
At times I feel I have gotten a raw deal out of life.	
There are people who have pushed me so far that we have come to blows.	
I can't help getting into arguments when people disagree with me.	
Sometimes I fly off the handle for no good reason.	
Other people always seem to get the breaks.	
I have threatened people I know.	
My friends say that I'm somewhat argumentative.	
I have trouble controlling my temper.	
I wonder why sometimes I feel so bitter about things.	
I sometimes feel like a powder keg ready to explode.
